- Legislative Advocacy
- Health

- Transportation (and Housing as related to transportation)
- Membership

I have joined the Transportation committee. I am slowly learning what all of these committees do. Please feel free to discuss your concerns/interests with me.

Grant Park Senior Program Update

The Grant Park Senior Program is running smoothly and has become quite popular with 60 members to its name! Exercise classes, pot luck lunches, art classes, special guest speakers and drop in table games such as bridge are just a few of the happenings taking place at Grant Park. If you haven't yet visited the program, please do. You will be pleasantly surprised at how busy it is. The program meets every Wednesday, from 10am-2pm at 1575 Holt Avenue – Grant Park.
